

## Sarah "Sally" McGinn Seibold

January 11, 1945 - February 17, 2024

Sarah "Sally" McGinn Seibold, 79, passed away February 17, 2024 in Oklahoma City, Oklahoma. She was born January 11, 1945 to George and Helen McGinn in Aiken, South Carolina.

She graduated from Aiken High School and attended Limestone University in South Carolina. From there she moved to New York City where she worked for Aqueduct Racetrack. She then decided to move to Dallas where she was employed by Texas Instruments and was proud of her team's many accomplishments over the years.

It was in Dallas where Sally met and married the love of her life, George W. Seibold III. They celebrated 44 years of marriage in May 2023. Shortly after marrying, they moved to and started their family in Muskogee, Oklahoma. They had two children together. She supported and worked side by side in George's business endeavors over the years, which included energy, ranching and real estate. She made raising children, managing the household, and working with her husband look easy.

Sally had many hobbies over the years, including sewing, reading, gardening, and tennis. She also had a love for animals, especially horses (a love that never ended). Her favorite hobby later in life became spending time with her grandchildren, who called her "Granny", they were her world.

She was also involved in multiple social and civic organizations; two that had the most meaning were Daughters of the American Revolution and PEO: where she served in multiple leadership roles over the years, most recently as President.

Sally was preceded in death by her parents.

She is survived by her husband, George W. Seibold III; daughter, Susan Borgan and husband Aaron; son, George W. Seibold IV and wife Kimi; grandchildren, Jack and Taylor Borgan, and Ava Seibold; her sister and best friend, Susan Shealy and extended South Carolina family; along with other family members and friends.

Sally had a heart of gold and was a bright light whose smile could light up any room. She will be greatly missed.

Following a private burial in Muskogee, a memorial service to celebrate her life will be held in Oklahoma City; at a time and date to be announced.

The family asks that donations be made to the Charlotte Museum of History, 3500 Shamrock Drive, Charlotte, NC, 28215.
