Such a beautiful lady both inside and out. I will miss her dearly. She was the most selfless person I met..I can remember when I found myself single again and that first Christmas she made me part of the family as well and sent me presents for Christmas one of them a blanket that she had made. I will never forget and will always remember to tell your granddaughter's Chloe and Gwen about you. They will always know what a sweet lady you were and also how spunky and full of life. We will miss you so much.
