“ *I met Sam while working for Daniel Construction - we worked together a pretty short time but became longtime friends. I saw her at Homeland this summer and had a wonderful "masked" reunion as I had not seen her for several years. She was truly one of those friends I will always remember and memories of time spent with her will always make me smile. So sorry I couldn't attend her service today. She was so proud of her family and I will miss seeing you.*

“ *All my memories of Sam make me smile. She and Netta babysat me when I was a child. They both were always good and kind and true cousins. I have no words. My heart is broken, yet I know Sam is with Steve again. My prayers and love to all. John and Mark, I'm so very sorry. Your Mother loved you both so very much. Lee Ann.*
