“ Shawn was always a blessing to hang around with. We played church softball for many years and always had much to talk about. We would always try to sit by each other at the high school football games and root for the home team. We always discussed why the coach didn't run this or that play we thought should have been run. Overall I enjoyed Shawn's company when we were able to hang out and visit! He will be missed tremendously! Rest in the Lord now my friend.

“ *Shawn was a great man. And will be missed by many. I had the honor of working with Shawn for several years. From the moment Shawn would walk in the door in the mornings, he would be whistling, and he whistled as he left each day. Often times as we walked out into the warehouse needing his help we would just stop and listen and could always find him because he whistled while he worked. He talked often of his family and how proud he was of each one of his children and grandchildren. He spoke so lovingly about his wife and how he adores her. Shawn loved Jesus and wanted everyone he came in contact with to know his Jesus. He truly lived his life to be Christ like. I know he has heard great job, my good and faithful servant!*
