“ *I am sad to learn about Sheila's death. But happy for her eternal reward. I know she leaves a huge void in the lives of her children, grandchildren and many (wow!) great-grands. What a wonderful legacy!*

I met Sheila during the 1st grade and we got reacquainted in junior high. I remember going to her house one day after school. So many kids but it made for some great outdoor games! Sheila was always so sweet and I loved her smile. Fly high sweet friend. :)
