“ I was so blessed to know Shelly almost the whole time we have lived in Muskogee. She blessed and loved our family in so many ways just by being just exactly who she was. I am going to miss her laugh, her love, and her friendship. I love you much my friend and I will see you one day soon.

“ My greatest memory of Shelly is from the Washington, D.C. trip we went on with our Sadler Arts Academy girls. She was beaming the entire trip, completely in her element- traveling and being with Gabi and Gabi's friends. I love how she always bought an insulated coffee mug to remember her trips. She sipped her coffee in the mornings and wanted to keep it warm. : )
