“ Sherman and Kassie went with Paul and me to Ft. Smith to get married, and then shared our honeymoon with us the following summer on a cruise. We had so much fun together that we took another cruise. Sherm was always up for anything and loved to travel, mainly because Kassie loved to travel.

“ My big brother will always hold a special place in my heart. From his service in the military to his support all my life, he was a positive influence in all that I am. I cherish all the times he made me laugh, the times he chastised me to do better, and the ways he helped me make the transition from a kid to an adult. I will miss him a lot.
