I am saddened that my sweet friend, Sherie is no longer with us and neither is Bernie. They had been dear friends of mine back in the 90s. But I'd lost contact with them and just now seeing that they have moved to heaven. I watched the memorial service and agree that Sherie shown the love of Jesus everywhere she went, as well as Bernie.

One time, we all had attended a ministers convention in California. They rode out there with a lady but she went home early and left them stranded. They asked me for a ride home. So Bernie, Sherie, and myself crammed ourselves, all of our luggage into a two door, Chevy Cavalier. That was some trip but we laughed all the way back to Oklahoma.

I miss my dear friends but will see them shortly. Oh what a reunion!!❤️

“ Sherrie is missed so much. She changed the atmosphere when she would sit down at the piano to play and sing. She would start out alone but before you knew it the residents at Brentwood would gathering around her. She was always loving and encouraging someone. When I got a bad medical report she loaded me down with healing scriptures and stood with me in prayer. I know she is singing and rejoicing around the throne. Sure am going to miss her.
