“ Carol, Steve, and David,
I am so sorry for your loss. I met Shirley when we went to school at Riverside Elementary. Our paths would cross again when I was 18 at Brockway Glass. I worked for Shirley for several years and not only was she my boss but a great friend as well. Shirley always looked after her employees and was the best foreman ever. I had the utmost respect for her and loved her very much. I will miss that laugh of hers. We had many. Such a beautiful lady and full of spunk. I will miss her.

“ Shirley was a true lady in every sense. We shared so many precious memories, experiences, prayers, tears, and laughter. If you were fortunate enough to know her you experienced her deep love for her family and friends. I have a framed personalized poem she gave me for a birthday that sits in my office which always reminds me of the love of my friend Shirley Jo, who now waits for us all in heaven,
