“ *My name is Patricia Anderson Mackey. Shirley and I are cousins , her mom and my father , EG Anderson, siblings. I just found out that Shirley left this earthly world . I am saddened by this news but know she is in a beautiful place known as Heaven. I remember when Shirley was a child she would carry her dad's silk tie everywhere she went. She would wrap the silk tie around her thumb .She would suck on her thumb working the silk through her fingers. So funny! It's a shame that we were all to busy with life that we didn't have time to visit . Rest in peace Shirley!*

“ Shirley loved this hospital and her work family - and we all loved her! She had a way of brightening up a room, or a meeting, or wherever she was and whatever she was doing. She loved spoiling our surgeons and providing such compassionate care to our patients. Her smile and radiance will be sorely missed by all of us. Love and prayers to John and the family. Rest in peace, sweet Shirley! We miss you.
