“ *Sam McConnell: Aunt Shirley, many fond memories come to mind. Specifically, of the mule driven wagon rides, the goats and those wonderful meals that you and Granny Thomas cooked. We will miss you.*

“ *A truly beautiful lady on the inside and outside. I will miss her so much. Sharing stories, sharing flower seeds with my Momma, sharing genealogy, sharing a bit of wisdom.....always sharing. I am so thankful for our last visit a few weeks ago. Heaven is rejoicing with the arrival of their newest angel. We love you J.C. if you ever need us we are only a phone call away. Much love to your entire family.*

“ I am so lucky to have met Shirley. She had such a philosophical view of life and I was enriched everytime I met her. I loved the hours with her and J.C. at the kitchen table. I never left there without tears from laughing so hard. I only knew Shirley during her last couple of years of life but to see the relationship and love shared between J.C. and Shirley was also a blessing. I will miss her.
