Thank you. I just now found this information on here. Moma didn't want anyone to see her after she passed away. That's why there were no posts in the newspaper earlier than there were. She loved teaching.

“ *Bill and family,*

I was glad to be able to see Shirley before she left this earth. We will be thinking of you and the children and praying that you can get thru the coming days with peace in your heart. May God Bless you and surround your family with love even now.
