“ *Mom so many things I could share, but there's not enough space. You were the best mother anyone could ask for. I find it hard as I lay down and wake up that I can't go in your room anymore and ask what you want for breakfast. There will be no more morning breakfast runs for us, but I know you will always be in my heart and soul. You have me life and for that I can never repay you. You were a selfless woman and you made impressions on everyone you met in your life. I love you mom and I will miss you terribly, with all my heart ❤️ T!*
