“ *My Parents Don & Myrna Walters were friends with Bob & Shirley. They went to School together at the same time at Central High School and also Square Danced together. I remember when I was in High School back in the '80's; Bob & Shirley were living in Connecticut. They came home for a visit. My parents had invited them along with the Vann's & other friends to our home for a get together. It was a wonderful night.*

Praying for your Bob & Family. Shirley is now in Heaven with My Mom & Dad sitting at the Feet of Jesus. We will see them all again. Love you!

“ *Dear brother Bob, Bob and Cheryl and family. We are going to miss Shirley as we have so many memories of our younger days going out dancing, to the cape and Naragancet. We were so glad to get to Muskogee in 2014 to visit, such hospitality. We were hoping to go back but it didn't happen. We are all guilty for not making enough time for family. Shirley will truly be missed.*

Our lifetime is too short.
