“ *In the almost 40 year history with Sid in Connecticut and Oklahoma I could write a novel of our adventures together so so I've listed a few of his favorite sayings like “stick a fork in him he's done” or “you know what I like about you...not a damn thing” or telling Jack after a haircut “you cleaned up just like a show dog”. Sid had a special love and respect for his family and friends and I will dearly miss his spring visits when we would share our favorite memories over a couple of lobster rolls or bowl of pasta at Luigi's great times together to a special friend. Love, Mim.*
