

Sloan "Jeep" Hunnicutt

September 14, 1935 - December 8, 2020

Sloan "Jeep" Eugene Hunnicutt, 85, of Warner, Oklahoma passed from this life on December 8, 2020 surrounded by his loved ones. He was born to the late James Sloan Hunnicutt and Georgia Hunnicutt on September 14, 1935. He went to Keefeton Schools from 1940-1945. From 1945-1948, he went to Lone Star School in Warner where he not only spoke highly of his school but his teacher, May Davis. He graduated from Warner High School in 1952. Jeep furthered his education at Connors State College before transferring to Oklahoma A&M, what is now Oklahoma State University, where he received a bachelor's degree in Animal Husbandry. He often said he didn't know how he did it, but somehow, he made it through and graduated.

After graduating college, he would then move to Nebraska where he taught GED classes to Korean Vets. At the same time, he was also enjoying his time calf roping. He then joined the Air Force in 1958 until 1960 where he served as a generator mechanic and spoke fondly of his military experience. From 1960 until 1966 he worked at Camp Gruber, OK until he became employed with the Bureau of Indian Affairs until his retirement in 1992. After he retired, he worked for the Tahlequah Sale Barn. He then would spend the rest of his days working on his ranch doing what he loved until the day he passed. He loved everything associated with agriculture including owning and working oxen and mules. He also enjoyed gardening and just being outdoors visiting and telling tall tales, while conducting business on the porch of his cabin. Anybody who met Jeep Hunnicutt quickly came to realize that he was very

comical and loved to aggravate and pester people in a fun way that made you want to come back for more. Jeep's favorite music was Western Swing by Bob Wills and the Texas Playboys. Over the years he had collected many records, 8 tracks, tapes, CD's, and knew Bob Wills and his band personally.

Jeep is survived by his fiancé, Freda Swon, of Tulsa, Oklahoma; son, Anthony Hunnicutt and wife Dendra of Warner; brother, Sid Hunnicutt and wife Sharon of Lavaca, Arkansas; granddaughter, Ashley and husband Jessie of Tahlequah.

Jeep was preceded in death by his mother, Georgia Murrande Cook Hunnicutt; father, James Sloan Hunnicutt; his sisters, Estaline Scott and Bernadine Hunnicutt.

“ Sloan "Jeep" Hunnicutt

“ Having learned about Jeep's passing has left me very sad on this 4th of July.

I was a young and very impressionable loyal side kick of his when we lived at the Standing Rock Agency in Ft. Yates ND where my parents worked for the Bureau of Indian Affairs.

My parent were good friends of his and thought the world of him.

My love of horses was greatly enhanced by the things that I learned from Jeep and watching him work with a big brown Oklahoma Star bred gelding named "Chooch"!

Jeep lit a life long team roping fire in me that I am grateful for.

As a joke on my mother Jeep gave me a big white wether goat for Christmas on year.

He was so fun to be around!

If anybody were to write a book about Jeep I would happily contribute to a chapter on one of the most colorful and charismatic individuals I have ever met!

My deepest condolences to his family and friends!

“ I knew Jeep for many years, as a student at Connors State Equine studies and I bought my "filly" from Jeep. I will always remember his smile and laugh. I didn't know he had passed, I will miss him so.

“ Sorry for your loss. Jeep was a “Gentle Giant” man. His presence and flavoured humor was always a welcome bright spot at the Owl Barber Shop during his employment at the Bureau of Indian Affairs and missed after his retirement. Rest In Peace Jeep.

“ Sorry to hear of your loss. I have know Jeep for many many years. He use to drive to Baron, OK and visit my Grandmother when she was still alive but that has been a long time ago. When we would run into each other he would always mention my Granny and their long conversations. He was a great man. He will be missed. Prayers to the family during this difficult time.
