“ Hi Nanny, it's your bunny hunch Jeremy.

*I just want to say that I've missed you and Papa so much as well as the rest of the family ever since I moved to California. There wasn't a day that went by that I didn't think or mention you both at some point throughout my life out here.*

*I'm so sorry that I couldn't be there, even as I say this now, I'm of a bit of an emotional wreck I because it's just so hard to believe that you're not here anymore.*

*I just watched your service online and it was really beautifully done. You had such a wonderful life, even way before I was even born. It was nice to see you and grandma Juanita, and little baby Mom & Aunt Marti. You and Papa looked absolutely perfect together. I will never forget all the moments that we shared, all the family holidays, the Halloween events at your house, coming over to you and Papa's house nearly every day in Haskell, getting out the old video camera recorder with Dillon and Justin and making movies with our little toy figurines, the list goes on and on with memories of you, and in the last time we spoke, you told me that you wanted some grandbabies from me, well, I recently married the love of my life and told her the promise I made to you, I will fulfill that promise.*

*Every single memory of you will live on with me forever, and I love you so so much.*

*-Jeremy*
