Clark of Muskogee; aunt, Joyce (Keasling) Whealy and husband Perry of Bakersfield, CA; great aunt, Betty Vaught of Richmond, VA; numerous other family members and friends who will miss her dearly.

“ *I am so sorry to hearing of Staci's passing. When I think of Staci, I remember her being the little blonde-headed girl playing in her grandmother's back yard. Such a beautiful girl. My heart goes out to you.*

“ *Every childhood memory I have includes Staci, so thankful for each and every one of them. She was one of those friends that no matter how much time went in between seeing each other that we could pick right up and laugh and chat about anything. She will never be forgotten. Thoughts and prayers to Emily and James, and to her beautiful children whom she was so proud. Katrina Ferrell Castor*

“ I have such wonderful, crazy and fun memories with Staci throughout School and even after. She was a life-long friend. I can't even begin to tell you how much I loved her. She always had such a sweet smile and laugh I will never forget, and man she was funny and so much fun to be around. There's nothing she wouldn't have done for anyone who needed her. I will cherish every single memory we shared. This world won't be the same without her in it, that's for sure. What an amazing, loving, selfless, great friend she was to all of us who were fortunate enough to call her our dear friend. I'm so grateful and honored to have had her as my friend. I love her so much. Our prayers for Avery and all her family are for Gods peace, comfort and His unbelievable love to consume you. I pray He wraps his arms around you all at this time and throughout this season. Remember, you will see her again, that is such a great promise God gives us all. What an amazing day that will be...
