“ Stacy has always been so helpful to me . She done her job above and beyond what was asked. Countless times she helped when it really may have been a inconvient time. The world is a better place having had her in it. She will be missed at Cherokee Nation . Love and respect to her family.

“ *I remember the morning Stacie came to work and said she had gotten a little surprise when she went to sit down on the stool and there was a frog in it. Stacie was always full of stories about Haley. One was how she didn't like clothes with tags and she'd have to cut them off. Stacie dearly loved that girl❤️ One thing I can say about Stacie is she was the most living, compassionate girl. Always the sweetest. I can't say that enough❤️ God is sure gonna love her❤️*
