“ *I have been thinking about you a lot lately Steph. You were my only friend in Tulsa, and the worst part of moving was that I wouldn't get to see you pretty much every day. I still look at the pictures of when you came to visit the kiddos and me, and you will always be in my heart. Thank you for being the friend you were to me :)*

“ i miss stephanie so much.... i wish i could hug her right now.... she was such a wonderful, fun, loving person. she always made everything ok. she was always there when i needed a friend. when i moved i felt so alone. i remember the first time i met her we were at the pool at the apartments and she set the alarm off at the office... hahaha i wasnt in tulsa long after i met her but i ll never forget her... our kids were friends and she was my partner in crime! :-) in a way she was like a mom to me too.. lol she would call in the morning to make sure i was up and ready for school when we were up late the night before... we had some really good times and i ll never forget her or the fun we had... i ll she ll continue to make me smile for a long time when i think about all the silly things we did together... i love you babydoll... theres a place in my heart you will remain forever... its not goodbye its until we meet again....

“ *Steph was always being silly and making everyone smile. She had her down times but loved to be with friends and her kids. She was the first friend i made in Oklahoma. We had just celebrated 30 years of friendship this summer. I will eternally miss her and will never be the same without her beautiful smile and silly laugh. A piece of me will forever be gone. We took cruises the last 2 Aprils and had the best times! She was always the life of the party. She was one of my best friends. I loved her unconditionally. She is not hurting any longer. May she find peace and eternal happiness.*

“ *It's always so tough to say the right thing when silence is the most appropriate gesture. She was known and loved by many. The kind of woman that always put a smile on your face no matter how you were feeling. She was always very cheerful, kind, and loving... I always called her, "Angel". Go now, my sweet angel. Know that you made a wonderful impact on my life and many others. You will always be in heart and my thoughts.*
