“ *Stephanie was beautiful and loving and kind little girl when I first met Stephanie, she had the most beautiful smile, and most of all she loved people. My condolences goes out to the Thompson family, and all the friends that knew and loved Stephanie she will be greatly missed. She was my baby girl that is what I called her "Babygirl ". I love you !!*

“ *My deepest sympathy to the family of Stephanie. I have known Stephanie a very long time. We use to play in my aunts back yard with my cousins in Meadowbrook every chance she could come out to play. My prayer is that you her family all find comfort in Jesus and know that Stephanie left memories for each person she touched every life she walked into she Left a lasting imprint. She had One of the best smile she had a kind heart, and when we saw one another our childhood days is where our conversations always began. We were children of imaginations with big dreams, we laughed and always had a great time together. She will be missed.*
