“ I met Steve in 1969 when I lived temporarily at the Holiday Motel in Muskogee which was owned & operated by his parents Luther and Betty who also became good friends. Steve was a kind soul with a good heart and was a bright ray of sunshine in an otherwise rather dreary town. I learned of his passing by happenstance and with a lot of sadness. Bon Voyage, SGM.

“ *Our sincere condolences! We are so sad to hear about Steve. I have known Steve since grade school. We lived down the street from each other in grade school. We had an accounting class in high school and Steve and several others went to lunch every day together. After college I moved to Texas and came back to Muskogee and ran into him on different occasions. It was always good to visit with him. He was such a nice guy. Sincerely, Steve and Paula Morgan*
