“ Sue Dixon was one of my Moms favorite friends. Those two ladies were really characters when they got together. They helped each other through some tough times and I was so thankful they had each other.

I am sure Mom (Norma Olson) and Sue and spending some time catching up. Prayers as she begins a new journey. Prayers to family.

“ Sue was a member of NARFE, federal retirement group. She was physically unable to attend meetings but I remember her coming to our Christmas dinners. She was always very friendly and loved visiting with everyone. She was very proud of her Federal service, and we loved knowing her.

*Sincerely,
Claudia McElvania
