“ *Bubba as we called him was a very sweet, special boy. I was married to his older brother. He was 4 when I met him. It breaks my heart because he was a sweet, caring, loving, kind individual. He always helped out when he came over with my sons, his nephews. He will forever be missed. He passes my mind quite often. We love you!*

“ Sylvester was a good friend to everyone he didn't make anyone feel left out or miss placed. He made people feel like they belonged in everything he did. Sylvester would always make someone laugh. If you were sad, Sylvester was there to make you happy again. I have many times were I was sad and he had made me happy by just saying "everything is going to be okay" . love you Sylvester Coronado 💕💕

“ *Wow words can't express how hurt I am by the passing of Sylvester. He was truly an angel! He always greeted me with a smile and wanted to know how my day was going! If I was having a bad day he would write little notes of encouragement and leave them on my desk. He would sit with me after school and we would just talk. I am going to miss him so much! Just as he told me when I lost my mom "it's ok to cry but remember she is in a better place". So I cry and I thank God for sharing his angel with me. I am praying strength for his family and friends! God bless you all.*

“ *Sylvester was in my second hour class this year. He was such a
good kid! I tell the kids every year they are now my kids forever and
I sincerely mean that. I am devastated by this loss. My other
students wanted me to be sure to let you know that they are also
devastated and heartbroken. We loved him and are going to miss
him very much! I am praying for the family and everyone that has
been effected by the loss of Sylvester!*
