“ *Allene will be missed by many people. We lived two houses down from Allene and Jack for many years. They were our extended family. She always made special birthday cakes for all of us and in October, we had homemade stew cooked over a pit in her back yard. Allene and Jack will be together this Christmas!*

“ *I am honored to be the first to write a tribute to my dear friend Allene Conley. My parents, brother and I lived next door to Allene and Jack on North 35th Street when I was a small child in the early 1950's. Some of my earliest childhood memories are of playing in their back yard and spending time at their house, letting them "spoil" us by giving us cokes and ice cream (sometimes without our parents' knowledge or permission, but that was what made it so much fun and so memorable). Allene and Jack didn't have children of their own and they loved to treat us as if we were "theirs." They doted on us and we adored them. Even though we moved away from Muskogee in 1958, my parents stayed in touch with Jack and Allene until they both passed away in 1998 and 2000, and I have stayed in contact with Allene all my life. Now my parents, my brother Mark, and Jack and Allene are all gone from this earth, but all of them will always have a special place in my heart. Rest in peace, Allene.*
