“ *I worked with Tammy at PetSmart & I'm saddened to hear of her passing. She was an extremely kind person, easy to get a long with, & fun to work with. Her love for animals was heartwarming. She loved them & they loved her. She'll be missed.*

“ *A dear friend for over 25 years. You were always so energetic and smiling! You lit every room up when you walked in. I will never forget all the times we hung out and laughed so much. You used to catch me heading to work (always in a hurry!) and stop me with the lights on your police cruiser. I can see you getting out of that car laughing so hard! I will always love and miss you Tammy Ann!*

“ *You were such a light in this world! I will miss your upbeat attitude and the happiness you brought to anyone who was around you. From the first time I met you I knew we would be good friends and we always have been. When we moved and I had our pets groomed I never dreamed it would be the last time I would see you even when you said "I'll never see you again." I didnt think those words would prove to be true. Jeff and I have so many great memories with you that we will treasure. Though we wont see you again in our earthly bodies i know one day I will see you again in our heavenly bodies!!! Thank you for being our friend. We love you and will miss you terribly. Take care of all those fur babies and give our Clymer a kiss and hug from us! Jeff and Darlene Aldridge*
