“ *Terri Jean, a second cousin, whom I wished I had kept in better contact. I remember playing together as kids, playing out in the country, visits to Muskogee, being in a pageant, and seeing her when we were at OSU for a time together. The last time I saw her was in Muskogee when we returned for a brief time to Oklahoma. She was working at the dental office and I was surprised and excited to see her. What I remember most was that she would always try to bring fun into a situation and had a great laugh.*

Prayers for Jeanie and Lizzy, for comfort that words can't describe for enduring too much loss in a lifetime. Praying for you all and the days ahead. Praying for strength and comfort for tomorrow's funeral. I would very much like to attend if closer.

Blessings, Heather (Harrington) Rogero and family

“ I remember Terri all the way back to junior high at West. We ran track together. Neither of us could run for crap but we always had a blast at the track meets and playing powder puff football. During our years at MHS, we rarely saw one another. Years passed and she was there at our 10 year reunion, playing an intricate part on the committee. She became my family feud buddy on our ipads the past year and a half and I had the pleasure of getting to spend time with her at the class of 89 gathering at the lake in September 2012. We sang karaoke and she had some fun singing "The Devil Went Down to Georgia" and "Ice Baby" . Though she probably had less money than any of us attending, she even brought decorations for the Luah theme. She had her dog who was her best friend with her. We talked, reminisced, and pigged out on that rainy Saturday afternoon. I last had contact with her on facebook about family feud about a week ago. It saddens my heart that she left this earth is despair! God bless her soul and may her family be at peace knowing she was an awesome person despite your struggles. - Stacy Parent Lane

I have known Terri since Junior High and even though we didnt hang out much in school when we met back up at the Reunion in September 2012 at the Luah we laughed and talked about old times from school, we sang karaoke and had a blast even if it was raining the entire time. The rain never let our spirits get down, we made the best of it and had a great time. We even got up early that Saturday and cooked breakfast together, we played with her cute little dog and then we decorated the pavillion for the reunion. It was so good to see her after all those years that had passed. She will truly be missed and it so sad to think that she is gone but she will never be forgotten. God Bless and may peace be with her family at this difficult time.
