“ Terry and I are First and Second cousins. We grew up together as kids at Webber's Falls. We had many cousins around. Chapman's-Poteete's- Norwood's and Keathley's.

Terry and I were born seven months apart in 1951. Let me think! No inside bathrooms - yes younger generations we used the outhouse. Ask the old timers about that experience.

Only air conditioning was a porch water cooler. Terry and I would have to push our way close. With the older brothers and cousins it was a battle to get that cool spot. Terry and I would wash the dishes together at the old home place.

Yes guys no dishwashers then! We would fight Garry and Dwain over who got to dry.

I have many memories of time spent with Terry. One of my favorites is listening to Dwain and Terry sing together - The Little Brown Church in the Wildwood! The Brown Family had it on the radio then. Dwain and Terry - their harmony was awesome even as young as they were. I know living life, as we must, pulled us apart. Terry will always have a place in my heart. My Family sends our Love to the Roach Family.

Faith - Hope - and Love! Of these the greatest is Love! The Lord filled Terry with overflowing Love. Enjoy your Mansion Over the Hilltop Cousin.

So sorry for your loss she will greatly be missed I remember when she'd come to cornerstone in Bristol the smile she had the love she shared with everybody the encouragement she gave to everybody just her presence was just so calming and peaceful as her voice soft as a feather. She always had encouraging words when she spoke them so softly I know me personally when she spoke to me it stayed in my heart she helped my walk when I was ready to give up throw in the towel her love her words make me stand firm. One of the best angels in the world has returned home although we would love to keep you here and he needed you so we must let you go I pray that one day we will meet again and I will be able to feel that loving hug you used to give me love you and you will greatly be missed but you will never be forgotten you're my mind or my heart Terry love you

“ I remember being in a youth service, with Sister Terry as our youth pastor when I was 17 years old. That service we were specifically talking about Heaven. We all agreed that we would meet under the tree of life when we each made it to heaven. I'll see you under that tree Sister Terry. I love you and thank you for living your life serving them Lord.

Terry was such a wonderful godly woman. I had the privilege of growing up around them and their house when I was a little girl. Terry and Jack and my parents have been very close friends ever since . I remember all the good times we had around the dairy farm and she was always the sweetest and like a second mom to me. You will never be forgotten and Heaven is a much sweeter place with u in it. We will all miss you very much. Love you!!

I haven't seen Terry in years but I have memories of our early friendship prior to her marriage. We attended church together, went to the same school, and I was there when she married Jack. I also remember her family and was there during happy times as well as dark days when her brother Gary died in Viet Nam. Her death makes me sad, but I know I'll see her again in Heaven. My condolences to Jack and the whole family.
