“ *Phyllis, Sue and family, It's Linda (Lawson) Prater here. Go back into your memory bank to the early to mid nineteen sixties that's where you will find me. I will always have precious memories of our wonderful church group. But the kindness your mom would show each of the girls when we would converge upon your house for a slumber party. Your mom was a dear lady and would join us to offer advice and a good laugh.
May God help ease your grief,
Linda (Lawson) Prater*
