Tom Cochran was a great man who I respected and looked up to growing up. He was a voice of reason and gave guidance to me especially when I needed someone to confide in. I learned a lot in Boy Scouts from him and I missed him even before he passed. To Peggy Bobby Shannon I'm sorry for your loss. I miss all of you. Best wishes moving forward. May he soar with the Angels.

“ Tom was about the best friend anyone could hope for. He was a great coworker with me as well as my golf instructor. I don't think any of our golf buddies will forget his pajama pants at St. George. He was a dedicated worker, and loved a good joke, like padlocking pink golf gear to Tony Marsh's Golf cart, or replacing Philpotts clubs with bent, broken, and kids clubs. A true American hero and Veteran of Vietnam. I miss you buddy!
