“ *The pictures below portray Tom perfectly! My children and I lived across the street from Tom & Norma, and to this day, anytime we are even in the vicinity of Tom & Norma's house they beg to stop and see them. My children loved Tom from the get go! Children just seemed to be drawn to something special within him. He was a wonderful soul to be around and we were blessed to have had the opportunity to get to know him. My thoughts and prayers are with the family in this difficult time. Our loss is Heaven's gain!*

“ Tom was my best friend in hi school. We hunted, fished, drug main st. chased girls, were in Demolays, church, was baptised together, ditched class all the stuff boys to men do. Over the years we slowly went our own ways (as it should be). Tom was then, is now & allways be my brother. If not in blood then by the heart. Save me a good spot buddy I'll be seeing you a little further down the road. Peace be with you!!!
Your friend allways Tom Evans
