“ I just learned this morning of Mr. Yadon's passing (he will always be "Mr. Yadon"). I am saddened because the opportunity has slipped away to tell him what an influence he had been in my life. Just last week, I was talking with a local band director (in Central FL) and spoke about the impact Mr. Yadon had in my life, hoping to encourage the director in his work. I had made a promise to myself that next trip to Muskogee, I would try to meet with him.

I first met Mr. Yadon during the summer of 1961. He held summer classes in the band room at Alice Robertson in the morning while it was still cool. Mr. Yadon instilled and nurtured a love of music to all who were interested. As many have commented, he had his own brand of wit and humor, even when disciplining his students, he had a way of making it fun. For those in the band at that time, we will always remember the beginning bars of "Bravura".

Thank you enriching my life.

GARY, this is Marcie Yadon Kohlbacher, Tom's oldest child, I'm sure my Dad knows how much he meant to you. He so loved his students!! What a great choir, and band will be waiting in heaven and everyone will be able to sing and play as they did when they were young!

“ Mr. Yadon was a wonderful teacher and mentor to his students. I came from a pretty non-musical family but he taught me that I had a vocal gift and should use it. I got to be a soloist for Choral Club and developed confidence that I used later in life as a business owner. I loved Mr. Yadon and have always kept him in my heart. I just learned today of his passing from a Facebook page.

“ This is belated, but I still want to share how much I loved Tom and his influence on my life. When I was in Muskogee in May he wasn't receiving visitors, but I checked for a couple of months and didn't see that he had passed, so I thought he had dodged another bullet. I have had several of my own family losses recently so just hadn't checked. I will never forget doing Verdi's Requiem at First Presbyterian. Even though I was really a Violist, he had so few Altos in the choir he asked me to sing. With his help and his influence on me I got scholarships to summer music camps at Inspiration Point, Arkansas and the University of Kansas for two years. I also got to play in the All State Symphony for three years, even though I had move to Midwest City right before my Senior year in high school. I didn't make my career in music (I became a geophysicist), but music definitely helped get me there.

“ I knew Mr. Yadon through CHS Choral Club and he was my State Farm Insurance agent for several years as well. He was warm, personable as a teacher and equally so in business. He shaped many lives as a teacher and brought humor and dedication to everything he did. I was enriched by knowing him.

“ Tom Yadon was my mentor and friend. I shall always cherish my memories during high school at Central because of my love for music and Tom's encouragement, direction, skill and belief in me. Because he was a tenor, I think he favored my low bass voice. At any rate, his provided opportunities for me to use my voice and gave me the confidence to enjoy music all my life. Returning to Muskogee each Christmas to sing in his choir at First Presbyterian was a true joy. Every time I returned "home" and saw Tom, he would have a huge smile for me. Our trips to Rockaway Beach Resort were a pure delight. I am saddened to learn of his death and pray God's peace to each member of his special family. Blessings, J. Tommy Jobe (Central Grad - 58)

“ Tom Yadon was a light to the world! He will be missed. I will always cherish my memories of him. Especially him conducting the men's choir at Christmas! He always brought a smile to my face and just had a way about him to make those around him feel uplifted and happy. I hope he is having a nice conversation with J.S. Bach right now. My condolences to the Yadon family.

“ *What can I say about Mr. Yadon? He was my grandparent's paper boy. He gave me a ride to Junior High Summer Band because he drove right by our house anyway with a "classic" car. We had some good talks then. He also was the Central High School band director going from Alice Robertson Jr. High to Central in 1966-67 for one school year. He was a great influence on me and anyone whose life he touched, and also master teacher. May God bring great comfort to his family.*

“ TY was our mentor, our teacher and so much more than our friend. Probably the greatest man we have ever known. He touched our lives for the past 50 years. We would not be who we are without his guidance and direction. He will forever be in our hearts as he touched our very soul at the time in our lives when it was needed most. We love you Tom! God bless you Sir!

“ Tom and I met about 7 or 8 years ago when we started playing regularly in a woodwind quintet together. We had so much fun goofing around and playing and it was always great to see someone his age still enjoying and playing music. I am so sad that he has passed and I will never forget how kind he was to me. I can't wait to play with him again on the other side.

“ I knew Tom from Central High, though I never sang in Choral Club. He did welcome me to join the Muskogee Community Chorus to sing the selected portions of the "Messiah." My friendship with Tom was as members of the notorious "Red Table Club" from the Speedway Grill. Every morning several met for breakfast and coffee. Normally I sat across from him. His sense of warmth, his mangled jokes, his wealth of knowledge concerning music of any genre and golf made him a joy. He took care of his State Farm customers as if they were his children. If Tom was your friend, you had a FRIEND. Tom's life crossed many cultures and people. He was a great man, truly one of a kind and he will be missed. I pray for God to bless and comfort Tom's family.

“ Tom was an outstanding State Farm agent, and served as a role model and mentor to many agents that chose to follow in his footsteps. It was Tom's overwhelming success in business, and that of others of his era, that grew this company into the industry leader it is today, preserving this great opportunity for the rest of us. Please accept our condolences during this difficult time, and know that he will always be remembered at State Farm for his kindness, generosity, and consummate professionalism. All of us at State Farm that were privileged to have known Tom have lost a very dear friend.

“ In the years of '59-'61 I was in the Choral Club and my husband was in the band & orchestra. I have great memories of our travels and performances some with the band.

Once we went as far as Arkansas w/the band and performed at several places and also went to Rock-a-way Beach and rode paddle boats.

We also made a record w/the band and Mr. Yadon on Clarinet, Charley Yadon on Bass, Mr. Pletcher on Sax (I think), Mr. York on Flute and I don't remember the others.

GREAT memories!!!

THANK YOU MR. YADON!!!!!!!

“ My condolences to the entire Yadon family. You cannot imagine the loss that all who ever knew Tommy feel. He was one of the finest gentlemen I was ever privileged to know. No one will ever know how many kids he paid for out of his own pocket, so that they could participate in musical activities they couldn't themselves afford. We have lost a true hero!

Tommy was loved by so many people. He touched so many lives. May god bless his soul and give comfort to his family in this time of grief.

“ Mr. Yadon had such a profound impact on me as a Central High School student that I pursued a music degree in college. His life wisdom was inspiring; his musicianship was astounding and his teaching skills extraordinary. I have enjoyed much success in life in the business world and as a singer. Much of that success was influenced by Tom Yadon. I had hoped to see him next year (2016) at my 50th high school reunion but, alas, that is not to be. He will be forever in my heart. Rest in peace, Mr. Yadon.
