“ *Just want 2 say how much I'm sorry for your loss. I'm 🙏 for you guys. I remember the times when Tim & I would discuss events in the Bible. He loved to study the word of God and would ask some thought provoking and interesting questions. Please let the family know we love them and give them a hug from me. Sending my love*

*I always loved sitting and listening to his stories whether it be about old cars, hunting, fishing or gardening he was a wealth of information. I didn't know of Tim's passing until months later and the feeling was numbing because now all the older men who I looked up to are now all gone. May you rest in peace Tim Dunlap and I pray for the family members 🙏*
