“ Tommy's sister, Judy was my first wife, and we named our son after Tommy in 1973. Tommy was a kind, fun-loving youngster. He loved to play billiards in the garage with his stepfather and brothers. I enjoyed throwing him over my shoulders and wrestling with him in his yard.

“ My Brothers and I always were doing something together either building hand made kites or riding our bikes to the ocean to go fishing or just hang out on the beach. We all liked the outdoors and he will be missed very much by me and all the lives he has touched.

“ I loved his gentle ways, the trip he and his Mom made to Kentucky to visit us, the sense of humor he had. Tom, farewell for now until we meet again.
