“ Oh how I miss you dearly dad.. The short time that I got to know you will be cherished forever. Thank you for raising a son to love the Lord first and far most, family, and then his job. I think of you on a daily basis, and even the littlest of thing reminds me of you. Specially, when I walk out into our backyard and see the livestock gate you built so many years ago while in Braggs, OK. The present owner was nice enough to just give it to your boy, because he knew just how sentimental it was to Sean. You never got the chance to see all the hard work Sean did cleaning up our fence line on the turnpike side. You would be so proud. Thank you for loving my children as they were your own grandchildren. We all miss you so dearly. I know God had better plans for you with him, but oh how I wish you were still here. LOVE YOU DAD!!!!

“ Tommy will always be remembered by us as a kind and compassionate person. He was the finest Sunday School teacher with a heart for people and for God.

There are many memories of Tommy that will forever stand out in our minds. Memories of motorcycle trips in the 70's, Sunday School hayrides, float trips to the river and summers going to Falls Creek to serve as cooks. When thinking of all of these memories, a smile will come to our faces because each memory displays Tommy's great sense of humor.

Carolyn and family, we are saddened by your loss and we will continue to keep you close in prayer.
