

Tyler Kirk

September 14, 1998 - July 3, 2022

Tyler was born September 14, 1998 in Tulsa, OK. He spent most of his youth in Collinsville, OK and graduated from Collinsville High School in 2017.

From a young age it was obvious Tyler was not your typical child. He was wired different. He was curious about everything and then had to know the why and how it worked. Tyler loved playing soccer and was way better than he knew. When he was young he would spend hours outside playing in the field and creek with his friends. He loved to ride the backroads on his motorcycle, camp, float the river and game with his online friends. Tyler also loved honey and considered himself a "honey collector", except that he would eat it all. He also enjoyed learning about the stock market and no doubt when he would have made his first million dollars, he would have taken care of us all. But, Tyler's favorite past time for the last 14 years was spending time with his faithful dog Riley.

If you met Tyler, you had a friend. Tyler was the most genuine, honest, loving, caring and giving person. He was REAL. He truly had a heart of gold. He loved loved loved to sit and talk to people face to face and really take time to get to know someone and learn about their life. He had a soft spot for those less fortunate and so many times would give his last few dollars to help someone he'd just met. But, he didn't just want to hand someone money, he liked to sit with them and hear about their life. He cared about people and wanted the best for them and to him everyone mattered. Then, there were his stories. Phew...they could be long but, that was ok, he wasn't in a hurry.

Last but definitely not least, Tyler was the best son and friend a Mom could ever hope for. Tyler left me with the most wonderful, loving memories and I can honestly say there was no doubt of our love for each other and absolutely nothing left unsaid.

Tyler died on July 3, 2022 at his home in Tulsa, OK at the age of 23.

A private celebration of Tyler's life will be held at a later date.

“ Ladonna and piddle would host “survivor” and nieces and nephews and grandkids and kids from family would come out and ladonna and piddle would have certain tasks for us. One night we was able to get in hot tub and they took this photo of Tyler, chace, and I. He was so funny and always playing pranks on everyone

“ Tyler was the bestest friend I have had since kindergarten. He always had my back the same way I always had his. No matter how long it had or hadn't been since we last spoke. We always had each other regardless. We grew up together. From playing in the creek together as kids, to him living with me at my moms apartment when we were teenagers and running around skiatook together. I will always cherish the memories we made. He will always be one of my very best friends.
