“ I met Vickie more than 40 years ago when we bought a house 2 doors down from her. We became good friends. She was a single mom who adored her only child and ALWAYS put Chris above all. When I think about all the memories we made, she always had my back no matter what. I re-married, moved away and am so sorry I did not stay in touch with Vickie although I thought of her often. I know she's in a better place now and I will miss not getting the chance to reconnect in this life. Jimmy and Brian I'm truly sorry.

“ I have known Vickie since junior high. She was sweet, kind and always pleasant to be around. She was a single mother and raised a fine son. He passed away several years ago. I am sad she had to suffer with health issues and the loss of her son. May she rest in peace.

“ I've known Vickie for many years as my patient. We shared many conversations about grandkids and family. Never met any of her family but felt like I knew them all. She was one of my favorite people and I will really miss seeing her. She made my job a little brighter.
