“ *We will miss Vergil. Him and Sandy got us going to Sunday school. Then we would help with the dinners. We would always find time to set and talk. We will miss you here but see you at home.*

“ *I wasn't ready for you to go. I still needed you. You were a daddy to me again, after missing mine so much, when you didn't have to be. You comforted me through the loss of Adam, corrected me when I was wrong. I love you dad more than even I realized. You were an awful big man, you've left an awful big hole in a lot of lives. I pray God allows you to see all the lives you touched. You were larger than life.*
