“ *Charlie and I were in many classes together in high school due to our last name. You don't get much behind with Y & Z. We had a lot of good times and I know he will be missed. I moved away and we sort of lost contact but was always good to see or hear from him at the class reunions. Please accept our deepest condolences in this time of grief. Tom & Wanda Zumbro*

“ *Charley,
You were loved and will be deeply missed by all of us! I'll never forget the time I was pregnant with Lyndi and I came home from work and heard a noise in my house and I called you and Dorothy and you came to search my house and it was only birds in the fireplace but you made me pack up and come spend the night with you all because Rick was working that night. We also had a fun time at our house when every family members electric was out for 9 days and I had all my family at my house it was like we had one big slumber party for over a week! I will miss the times you always had a comment about my holey jeans and my shoes. We have wonderful memories. RIP Charley, you will forever be in our hearts and memories.*
