So sorry to hear of the loss of this precious lady. She was a comfort to me in the passing of my husband in 2005. Wanda was one of the sweetest co-workers that I have had the privilege to work with at GDOT. Praying for the family for God to grant you peace and comfort during this difficult time.

“ To a new employee at GDOT she was one of those shining lights that I was honored to know....her laughter was infectious ! Her kindness and generosity overflowed to all around her.... but most of all her family was front and center in her life.....she sparkled when she mentioned any family member...please let me also extend my thoughts and prayers to her family

“ *My sweet Nina, you were more than just a sister-in-law to me. You were a true sister and my best friend. I am so thankful that you moved to Oklahoma, and that you had a happy place all of your own. I am thankful that we were able to grow so close and share so much. You had a heart of gold. You were the person that I could confide in. A friend that wouldn't judge me by my silly secrets or drunken rantings. You were my pool partner and partner in mischief. You gave freely and you loved deeply. You were a beautiful woman both inside and out, and I am a better person for having had you in my life. I wish that I could tell you how much you were loved, how much my life was better for having you in it. You will never know how special you were to me, or how much I am missing you. You don't know that I am devastated at the reality that I don't have you in my life anymore. My life will never be the same without you in it and I will cherish our friendship for the rest of my days. Rest In Peace my dear Wanda. I hope that we will be together again one day. I love you with all of my broken heart.*
