“ *While Skip and Glenda were living in Oceanside, California, my husband (Dennis Giles) and I were fortunate to get to know them. I was personally sad to see them leave California for Oklahoma. They both often came to mind over the years and it is sad to see Skip's passing so soon. My deepest condolences to Glenda and the children.*

“ *Marie and I want you to know that we love you all and have you in our prayers. Skip was gathered home to be with the Lord forever. He was one of the good guys. I always enjoyed my conversations with him when at Evan & Kelena's. Just trust that God had a better plan, a higher plan for Skip. God did not retire the warrior. I look forward to seeing him someday. Glenda, trust in the Lord with all your heart, He will see you through this and every situation. He is faithful. Glenda, Evan & Kelena and family we love you guys!*

“ To Aunt Glenda, Dan, Evan:

My thoughts & prayers are with you. Uncle Skip will be missed but so glad he is no longer in any pain and he is rejoicing in Heaven. I know there will be a big void but keep all the precious memories close to fill it.

My most vivid memory of Uncle Skip: He was the first OHP officer to stop me. I was on my way back to school in Tahlequah and the plane caught me just south of Muskogee. I pulled over and saw that it was him. He smiled and said "Are you in a hurry to get somewhere?" then said "Are you going to tell your Daddy about this?" and I said "If I don't you will." We both laughed & he let me go with warning.

I will miss that distinct laugh of his, especially at family get togethers.

Love you all,
