“ *I went to school with Mike and he always had a smile on his face and nothing but nice things to say about anyone! It is so sad to hear he is gone.*

“ *Sorry to hear of his passing. I have known Mike since Jr. High at West. There was a long lull in seeing him after graduation until the last 10 years or so when he became more involved in Sr '63 reunions. I enjoyed his fish fry at the Romines last year and was impressed with all the work he put into catching the fish and frying them. He was a great person and I enjoyed listening to his political views. Marlene he will be greatly missed. Roger Hilfiger*

“ So sorry to hear about Mike's passing. He was one of the kindest people I have known. Enjoyed seeing him at all the reunions. Sorry I was never able to attend the fish fry parties at the Romine's to enjoy all the fish Mike furnished.

“ I did not have the privilege to meet William. In a short time during our FB. Friendship Willie became an important great friend. William always had a nice comment to my postings, specially family related ones. His remarks in other subjects were intelligent, brief and sprinkled with a sharp sense of humor. Even in the absence of a personal time together, William's disappearance hits our hearths. We (my wife Kathleen included), share your grief.
