“ Well my beloved Brother, it has taken a long time for me to begin to try to put into words just how much I have loved you, needed you, trusted you, depended on you, admired you. I guess I gave you a lot to live up to. But you always did, you were all of those things and so much more to me. You always lived up to all that I needed from my Brother and you did it all out of love! You were my closest earthly friend when I felt alone, you felt my pain and I felt yours. We understood each others hearts and minds like no one else did. You called me your memory when yours began to fade, but you were mine as well. I have very few childhood memories due to PTSD the doctors say, but the ones that I do have are almost all moments spent with you. You were and will always be the best Brother I could have ever hoped for. God blessed me in the greatest way when he chose you to be my Brother. So in closing sweet Brother, I just want you to know, I'm keeping all my last promises to you, the ones your heart asked me to! You are in my heart and thoughts and memories every day. I'll see you soon my baby brother and that's my comfort now, your with our Heavenly Father and our loved ones who left first. Always your sister, Brenda

“ *First and foremost my Deepest Sympathies to his Family. Dale was my friend for many years. We hung out in Selma a lot. Meeting at the park across from Fosters Freeze after the movies downtown. We only watched the first show due to the second was always a kung fu flick we couldn't understand so we left to the park where we seen our other friends for a few good laughs and good memories!. Seen him off and on for few yrs after that. Lost contact till Facebook..and there he was a Handsome guy I always thought. You will be missed my friend. Say Hi to my brother Kenny and hope you guys have a few laughs. Rest in Paradise Dale. 💜*

“ *Dale was my nephew. I loved him very much. I was 4 in 1961 and went to El Paso to stay with my brother and his wife Carol. Dale was just a little baby then. It was my first memories of Dale. Brenda and Angela and me played in the back yard. I will always miss Dale. He was a good man and a good nephew. Love you Dale.*

“ To my sweet and dear friend and the godfather to my son, you have always been there for me. And always there for Nolton even when he had the cast on his foot and leg you could always get him to smile and was never afraid to touch or carry him. You always new when to call and what to say, and I enjoyed hearing about your fishing trips, you were always trying to get me to move to Oklahoma so we could be closer to each other and go fishing. You left to soon but I know when it is my time to go we will go fishing together then. You will always be in my heart and thoughts you were my best friend and I miss you dearly.
Love you always, Kathy aka Kat

“ For my brother... As I looked up towards heaven today I wished I could have seen your smiling face. What peace and joy you must have felt as you entered that glorious place. I imagined Jesus with his arms opened wide as he came to welcome you home... A chorus of angels in celebration, your earthly life over and your soul no longer will roam. On earth you never met a stranger, you were a friend always loyal and true... The blessings you brought to others, are now being rewarded in heaven to you. You were more than just a brother to me, you were my hero, my rock and my friend... I'll think of you daily and I'll love you forever, even after my life on earth comes to it's end. With a broken heart I said good-bye, but what peace was filling my soul... At the thought of you with no suffering or sorrow, in a world that can be dark as coal. I dreamed of you laughing and enjoying the day without a doubt or a care.... The look on your face was total bliss, I closed my eyes and pictured you there. Maybe fishing with Jeremy or Randy, or teaching my little David the ropes... You want for nothing anymore, you found your wishes, your dreams and your hopes. Or maybe your seated on the side of a beautiful mountain listening to Jesus talk... Of how proud he was of your journey here, and how faithful you taught others to walk. You'll be missed by the ones that love you, until we see you again... Then for eternity along with you, our new lives will also begin... I'm missing you this very moment as I picture you above the sun, moon and stars... Cherished memories tucked away in my heart as I smile knowing where you are. I love you and I miss you so much...so save a place for me.....Your sister Angela Ann
