“ I am so sad to hear that my Aunt Wilma has died. She lived down the street from my parents for many years, so I saw her frequently. I lived back in Oktaha several years ago and spent some time with her and enjoyed the many conversations we shared together. She was always ready with a glass of sweet tea and a listening ear to whatever troubles you had. We will all miss her!

“ I loved my Aunt Wilma (and all my aunts and uncles). She was always so kind and giving and caring. I remember how happy I was when she came to my graduation and later my wedding. She was always there to help and I loved talking to her and will miss her.
