“ *It was an honor and privilege to call Mrs. Vernon my neighbor for the past 2 years. I am thankful for her kind words and loving nature when I would catch her out in the yard. My prayers of healing and comfort are with the family now.*

“ My husband, John and I were very sad to hear of Neal’s passing. I worked with her for many years. I recall her as a devoted Christ follower, a woman who enjoyed humor and loved having fun, and a classy lady! We were witnesses to the courtship and unfolding love story that developed between she and Tom. Our hearts go out to you, Tom, and to her dear children, grandchildren and extended family. We will hold you close in prayer.
