“ As I search for the words to say, all I can do is smile thinking about all the things you did to me at the store. Whether it be honk at me in the goofy looking fire truck while i was sweeping only to turn and see you bustin a gut laughing cause you had got me good or you always just stoppin in to check and see if anyone was bothering me. You were good to the core Big Boy and definitely one of a kind!! I will never stock another pack of your double slim jims cause you know those were yours and yours only. Praying for the family! As Ive told Amy everytime I see her yall did good, Your kids are great kids!!! So very sorry for your loss!!!!

*Wyatt your candle will never go out so your Aunt Patsey Gilstrap didn't need to light one for you. You made the dress code " Overhalls " beautiful just like you and they will never go out of style. Our family lost another one of it's brightest lights, but we will never lose the memories. We love you so much.*

*You took a piece of my heart to heaven with you. Although I'll never be whole again I know for a fact that me hiding my smile will not please you, haha! So I will keep on smiling for you, keep on going for you and keep on living for YOU. I know you would settle for nothing less because I seen it on your face. What life holds for me now, I just dont know but I will always have that burning fire of a question "What If?"... Forever and Always. ~Your Girl, Mirriah.*
