“ I met Zakk back in 2009. I befriended him all through high school. Zakk was a different kind of breed, but let me tell you if you was his friend, you knew he was your friend. Unbeknownst to everyone he would leave a lasting impression on everyone. Zakk was a remarkable student, friend, colleague. Thank you Zakk for a lasting impression. Thank you for being there when I needed a friend the most. You was and always will be LOVED. As you're in Heaven now please watch over your loved ones. I sure wished I got word of you passing away before now.

“ I met Zakk as a very young boy when he use to visit his mother at MCRJDC. He appeared to be a somewhat shy young man, but he was always polite and respectful. He was bright and smart and very computer literate and after graduating high school he was employed as a computer tech for MPS. He was called upon several times to come to MCRJDC to provide his computer expertise to the residents and our teacher when they were having issues with their laptops. He use to cause his younger brother some grief, but that is what brothers do. He always appeared to me to be a bright, smart and well mannered young man who loved and respected his mother, father and brother. Although I haven't had any contact with him in the past few years I will always remember him as Zachary Reece, a polite and respectful young man. Rest in peace Zachary, God bless you. My condolences to Patty and her family at this very, very sad part of life that we all have to endure at some point in our lives. They will be in my thoughts and prayers.

“ *Condolences to Patty and her family, you will be in our thoughts and prayers. I met Zakk when he was a very young man as he occasionally visited MCRJDC as a child and then when he was a computer tech for MPS when he would come to MCRJDC to service computer issues for our teacher and residents at MCRJDC. Zakk appeared to be somewhat shy, but he was always friendly and respectful, he was always a good boy and a very smart young man. He did sometimes cause his little brother some grief, but that's what brothers do. He loved and respected his mom and dad. I will always remember him as a bright, smart and well mannered young man, Zachary H. Reece, Rest In Peace young man.*

It was a pleasure to work with Zach. He was a great tech and always helpful. When he was helping he out I would always let him know I was glad I did not have his worries of keeping my hair kept, being a bald guy. Zach would grim. What a great young man.
